### POSITIVE WARNING ALERT FOR THE YEAR ENDED 31 DECEMBER 2025

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholder (the “**Shareholders**”) and potential investors of the Company that based on the management information currently available to the Board including the preliminary assessment of the latest unaudited management accounts of the Group for the year ended 31 December 2025, the Board expects the Group to report a net profit attributable to Shareholders at approximately HK\$450 million for the year ended 31 December 2025, compared to a net profit attributable to Shareholders of approximately HK\$262 million for the year ended 31 December 2024. The change was mainly due to an increase in sales revenue together with an improvement in the gross profit margin which had mainly resulted from a strong demand for the new Blackwell series of video graphics cards launched in the first quarter of 2025.

The Company is still in the process of finalizing the results of the Group for year ended 31 December 2025. The information above is only a preliminary assessment by the management of the Company based on the unaudited financial statements of the Group (which have not been confirmed nor audited by the Company’s auditors) and the information currently available to them. The Company will disclose further details of the Group’s financial performance when the financial results of the Group for the year ended 31 December 2025 are announced, which is expected to be published before the end of February 2026.
